

TENUTA SAN GIACOMO

Tenuta San Giacomo lies very few miles from the Gavi centre, on the hills of the Ligurian Pre-Appennines. The estate owns 20 hectares of vineyards, cultivated according to the passion and the tradition of the Bergaglio family who has played a significant role in the birth and growth of Gavi di Gavi for three generations. The family firmly believes in the principle that great wines come from the vines first of all; therefore they devote themselves entirely to the most careful cultivation of vines, strictly respecting the territory and the environment.
